HEIKES DEFENCE.
New York, N. Y., June 3.—Charles R. Heike, secretary of the American Sugar Refining company, and highest of the Sugar Trust officials accused of complicity in the weighing frauds by which the government was defrauded of customs duties, began his defence today.

Dope On Texas League Games

Thursday's Games—Special Wire to The Herald.

Galveston Blanked by San Antonio.
San Antonio, Tex., June 3.—San Antonio clouded Hise all over the field Thursday, winning by 6 to 0. On the other hand, Blanding was invincible and the visitors could do nothing. This makes two straight games, and San Antonio is fighting hard for second place.

FOR WORTH DEFEATS OKLAHOMA CITY, 12 TO 3.
Oklahoma City, June 3.—In an awful swiftest Thursday, Ft. Worth took the lead by five runs in the first round and made the Indians look like brush leaguers. The final score was 12 to 3. Twelve singles brought in as many runs. The visitors could have done better but were afflicted with the hook worm. Manager Andrews is out of the game on suspension.

TAILENDERS WIN FROM HOUSTON.
Waco, Tex., June 3.—Waco won from Houston in the 10th inning Thursday. A hard fight was made against Horasly's pitching and Westervelt's umpiring. In the 10th the winning run was made in a walk, on Conway's two bagger and Williams's sacrifice fly.

FLICK STARS IN SHREVEPORT-DALLAS GAME.
Shreveport, La., June 3.—Shreveport won from Dallas 8 to 6 in a slug-ging match. Two pitchers were driven from the box by the Pirates. Evans started the game, but was taken out in the fifth. Dale then lasted two innings and was succeeded by Sis Hopkins. Jack Ashton pitched a great game for the locals, the feature of the game being Flick's fielding at short. He made two putouts and eight assists.

TEXAS LEAGUE GOSSIP.
(By Horace H. Shelton.)
Pat Newman played his first game with the St. Louis Browns on Sunday. He made two costly errors, but rather redeemed himself by getting two hits out of four times up. He made a fair impression with the sport writers, but none of them went wild over the big Texan.

Gowdy, of Dallas, enjoys the distinction of having lifted a ball over the fence at Oklahoma City for a home run. This is the first time in the history of the league this has been done. It is believed to have been a record breaking hit so far as distance is concerned.

Details to the 20 to 10 game between Oklahoma City and Dallas seem to be hard to obtain. Both the reporters and the teams seem to have been so ashamed of the exhibition that they will not discuss it.

Pep Hornsby is now with Houston. He is not yet covering himself with particular glory.

On Monday Crabbie pitched his first whole game for Galveston this season. He did well, defeating the Houston champions.

Pollitness don't seem to pay in the Texas league. Because he doffed his cap and bowed very low in acknowledgment of one of umpire Westervelt's decisions, Northern, of Houston, drew a fine of \$5.

Yoho, the ex-Sand Crab who has been playing with the Kansas City team, has been purchased by the Houston Buffaloes.

Not only does the Texas umpires get busy, but now comes the announcement that manager Dahlen, of the Brooklyn team, has been indefinitely suspended for disputing the decision of the umpire.

Lohman, formerly with San Antonio, is pitching gilt edge ball with Victoria, of the Southern league. Kapham, now in the hospital, will be carried on the Galveston pay roll until he recovers. He has been repaid in the outfield by manager Donnelly, of that team.

Jake Volz, a pitcher released by San Antonio, has connected with Waco.

SPORTLETS

By Tim.

"It's a frame up,"—Gov. Gillett.
"For two pins I'd quit,"—James J. Jeffries.

"Never said it. It's a plain lie,"—Gov. Gillett.

Still we have not heard from Johnson. Supposing the black one sends Jeff the two pins?

The killing of Fred Langan, up on Stalwart Lad, at Gravesend track yesterday, cast a gloom over a brilliant field. Jeckey deaths are rare.

Shettler, of Philadelphia, held St. Louis to two hits until the eighth in yesterday's game. It ended 4 and 3 for the show-me visitors.

The All America rugby team, the first to conquest foreign lands, is off for the realm of the wicket. May they beat 'em at their own game.

Bunched hits in the seventh and an error by Sweeney in the ninth won for Chicago at Boston yesterday. It was a 2 and 1 victory.

Two five men teams will contest tonight on the Washington park alleys. Sukey and Lehman will play.

It seems strange that Gov. Gillett should mix in it at all. A man who is too anxious to be interviewed always gets in trouble—always.

But how about those two pins. Oh, you pin cushion!

Kerner made a home run with two men on bases, and that had much to do with an 8 to 10 victory for Wichita over St. Joseph yesterday.

That 90 horsepower chuck cart of Johnson's was given a good workout yesterday. The dark Barney Oldfield is Johnson.

It was in the last inning that Denver wriggled out of a hole, and beat Topeka 8 to 7. The very last!

Jeckey Fred Langan, mounted on Stalwart Lad, was instantly killed Thursday at Gravesend track when his mount fell on the home stretch turn in the closing race.

What Benjamin SAYS

Galveston is again climbing hard for first place, and San Antonio is having an awful hard time to hang on to the third round of the ladder.

Valenzia, Pujadas, Hernandez, Ramon, Cubello, Juarez and Fallanca. No, dear reader, that is not the roll call of a Mexican revolutionary junta, but merely part of the lineup of the Laredo team in the South Texas league. And, by the way, the Mexican players are delivering the goods.

Morton, a college lad from Waco, is pitching for Brownsville in the South-west Texas league, and is making good. It looks like he would soon be called to faster company. Several of the Texas league teams have feelers out for him.

In a 10 inning game between Boston and Philadelphia on Monday, Criss Speaker, the former Texan, hit for three bases and scored the winning run. Karger, also a Texan, helped to pitch Boston to victory.

Bill Bailey has lost again. He pitched against Detroit on Monday and the Texas wonder came out second best with nine runs to the credit of the opposing team.

Waddell is again able to play with St. Louis. The reports that his arm, which he recently broke, would keep him out of the game permanently seem not to have been well founded.

Russell Ford, of the Highlanders, is developing into one of the best pitchers in the big leagues.

The population of Ballinger, Texas, has petitioned Dale Gear, of the Pirates, to give a player by the name of O'Brien a chance to do some backstop work for that team. He will be given a tryout.

Over 200 members of the San Antonio lodge of Elks will accompany their baseball team to Houston when it plays the Elks of that city on June 4.

Soxalexis, the once famous outfielder of the Naps, is now handling an indicator in the Maine State league.

Larsen is the last Broncho to go out of the lineup on account of injuries. This team is now badly crippled. Five regulars are out.
